

European Certification for Endovascular Specialists

The Cardiovascular and Interventional Radiological Society of Europe
herewith certifies that

Stefan Müller-Hülsbeck

has documented advanced knowledge and experience
in the field of endovascular therapy.

This certification of advanced practice in endovascular therapy may only
be awarded after the successful completion of the European Board of
Interventional Radiology examination. After the awarding of this certification,
holders are entitled to use the post-nominal certification EBIR-ES.
